

Kipps Elementary
Home of the Recycling Roos!

Welcome to our school! Kipps Elementary has a mixed paper recycling initiative. Thank you for volunteering and please help us to recycle!

The following paper items (whole and scraps) are recyclable (tape and staples or OK) and should be placed in the green mixed paper recycle bins instead of the trash can:

- White paper
- All ream wrappers
- Colored paper (all colors)
- Construction paper (all colors)
- Magazines and catalogs
- Phonebooks and junk mail
- Newspaper
- Envelopes
- Post-its

NO wet paper or used paper towels, NO laminated sheets or scraps, NO food residue
If you have any questions, please talk to a classroom teacher or administrator.
Bins are located in the main office, every work room, every class room, specialty rooms (except the Gym), the cafeteria, and most small offices.
Thank you for your help.
